Hello All,

Please find attached the summary from the Economic Activity Working Group held last Tuesday, June 14, 2016 (and attachments for the Start-Up in a Day Presentation and Mexican Consulate Event ).

We had an extremely productive meeting and we look forward to following up and building upon many of the ideas put forward during the meeting. We also hope to hear from you with any additional feedback you can offer for MOED's Start-Up in Day portal and any potential participation in the upcoming Start-Up Expo Series at the Mexican Consulate in the Promise Zone. [You can find the sign up form for a table at the Consulate event [HERE](#) ]

To all who were in attendance, your presence and input were greatly appreciated.

Thanks and Best Wishes,

--
